

Safe Parking Program

Rules of Operation

1. Only authorized participants may stay at designated sites.

All Safe Parking participants must apply through Church@thePark. The program coordinator will screen and approve applicants, and assign a parking location based on presence, need, and availability. All participants must sign the program's Participation Agreement.

2. Hours of operation

Program participants can stay at their designated location from 7pm to 7am, 7 days a week. Host sites may request specific days to pause the program at their location to accommodate events. This is communicated to Church@thePark and all participants 48 hours in advance. All participants can access case management, showers, and resources at Church@thePark's Outreach Center on weekdays from 8am to 3pm.

3. Sleeping in vehicles only

No tent camping or improvised camping is authorized.

4. Vehicle breakdowns

All vehicles must be in working condition. If a vehicle is inoperable, the owner must contact the program coordinator.

5. Restrooms

Participants are responsible for helping keep the portable restrooms clean. These facilities will be professionally cleaned and emptied every week.

6. Garbage

A garbage receptacle is provided at each site. Participants are expected to use the receptacle as intended and throw trash away properly to help keep the site clean.

7. Personal property

All personal property must be managed and stored in compliance with SRC Chapter 50-property maintenance.

8. No illegal drugs or alcohol are allowed on property at any time

9. Meals & Cooking

No open flames are allowed on property or within participants' vehicles.

10. Noise Regulations

Participants are expected to conduct themselves in a responsible and courteous manner at all times and limit noise levels to allow other participants to rest in their own vehicles.
