To Whom it May Concern:

I am writing this letter on behalf of Church at the Park to show my support for a transitional shelter in Polk County. As a pastor who has served in Dallas for over 12 years, I have seen the huge increase of homeless people in our community over the years.

In the last few years we have had numerous people stay overnight in our parking lot who are just looking for a safe and stable place to rest. I have done my best to love on them and help them in any way that I can, but their needs go beyond our capabilities. There is a great need for some sort of transition-focused emergency shelter in our community.

The Church at the Park team has reached out to me and is partnering with me as we try to help those that we can. Our church is willing to come alongside and partner with the Church at the Park team in any way that we can. I believe they have some great plans and a wonderful team to help make a difference in our community.

I support Church at the Park and fully support a transitional shelter here in Polk County.

Sincerely,

Darrin M. Hausler
Lead Pastor
